If you have ever wondered what is a supple leopard, I came across the answer while reading page 17 of Kelly Starrett's book titled, "Becoming a Supple Leopard." The book is a complete end to end mobility and movement system that focuses on injury prevention thru proper movements and optimizing athletic performance.

### How to Be a Supple Leopard

Becoming a Supple Leopard first begins with the basics and reinforces good posture while standing or sitting. This rings home with me, especially given I just wrote on this topic. Kelly then goes through a comprehensive bracing strategy on how to first level your pelvis, and then retain a neutral, supported spine throughout any movement.

Leopards don't have to work at being supple; they naturally are. But people are brutally tight and missing key ranges of motion that pre - vent them from moving as supplely and power - fully as a leopard. Metaphorically speaking, if you want to become a supple leopard, you need to understand how to move correctly in all situations.
